

AN OPPORTUNITY TO SHARE YOUR OPINION

# CALLING PEOPLE LIVING WITH HAEMOPHILIA B

Participate in a study run by independent market research agency, **IQVIA**, to share your experiences as an adult living with **Haemophilia B** and your opinions on treatment.

**Would you like to have your opinions heard?**

- Are you an **adult** (aged 18+) living with **moderate or severe Haemophilia B**?
- Are you interested in spending **60min** talking to an IQVIA researcher via an online video interview?
- Would you like to be compensated **\$150** for your time?

Your confidentiality is our top priority and no information that identifies you will be provided to the pharmaceutical company project sponsor. All personal information provided will only be used for the purposes of this research. More information on your data privacy and protection can be found at <https://www.iqvia.com/about-us/privacy/privacy-policy>
